True House Stories w/ Mousse T. # 058 – PART 1

Mousse T, the super German Dance Music producer, talks about his beginnings in music from learning to play the organ as well to being inspired by Donna Summer and Giorgio Morder’s “I Feel Love” which was a totally new electronic sound in the late 1970’s. Mousse T shares what family life was like growing up and his father dreams that he had planned for him. Mousse T makes a huge decision to proceed forward with the music career and because of his choice he is rewarded with huge success.
